

## ***Businesses Supporting Education***

Dear Potential Donor,

Subject: Request for Corporate Sponsorship for Curie Elementary PTA

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of Curie Elementary PTA, a dedicated parent-teacher association committed to providing exceptional educational experiences and opportunities to the students of Curie Elementary School, located here in University City. We firmly believe that collaboration between parents, teachers, and the community is crucial in creating a nurturing and enriching educational experience for our children.

We are reaching out to you today with a sincere request for corporate sponsorship. As a public elementary school, we often face financial challenges in funding various initiatives and programs that directly benefit our students. Your generous support as a corporate sponsor can make a significant impact on the success and development of our students. By partnering with us, you will contribute to the following initiatives:

1. **Educational Enrichment:** Your sponsorship will enable us to provide additional learning resources and materials that enhance the curriculum, such as books, educational technology tools, and hands-on learning materials. These resources will empower our students to explore and excel in their academic pursuits.
2. **Extracurricular Activities:** We believe in the importance of a well-rounded education, which includes offering a wide range of extracurricular activities. Your support will enable us to organize Art, Music, P.E. and Visual and Performing Arts, and assemblies that foster students' talents, interests, and social development.
3. **Community Engagement:** We strive to foster strong connections between our school, families, and the local community. With your sponsorship, we can organize community events, family nights, and workshops that promote collaboration, diversity, and unity among our students, parents, and community members.

4. **Technology Advancement:** In today's digital age, it is essential for our students to have access to cutting-edge technology. Your sponsorship will help us upgrade our computer labs, invest in new devices, and provide training for teachers to ensure our students are equipped with the skills necessary for their future success.

Your generous contribution will directly impact the educational experience of our students. We highly value our corporate sponsors and believe in recognizing your support. As a token of our gratitude, we offer various recognition opportunities, and tiers:

**Bronze Level: \$300**

- Recognition on our website and social media platforms.
- Mention in our school newsletters.

**Silver Level: \$500**

- All benefits of the Bronze Level.
