Welcome Curie Families!

On behalf of the Executive Board, I would like to welcome all of you to the 2024 - 2025 school year! We have been working hard this summer coordinating events, fundraising, and we are excited about what is in store for this year!

Our Mission is to promote partnership and collaboration between parents, students, teachers, and the community to ensure a positive, safe, and enriching environment for children to grow and learn.

Our Vision is to create a sense of community inspired by the people who come together not because they have the time, but because they have the heart to make a difference in the lives of our children.

Our Values are simple:

- We communicate effectively
- We ask for help because we trust that someone will.
- We thought-share to increase the power of our collective knowledge.
- We don't just identify problems, we show up ready to help solve them.
- We support our team. No one is expected to carry the weight alone.
- We respect one another even when we do not agree.
- We welcome All.

Please join us and help us continue to make Curie Elementary a positive, thriving, innovative learning experience for all! Whether you: [Become a Member](#), [Volunteer](#), or [Donate](#) each of us can make a positive impact in our own way. Every little bit goes a long way. Thank you for making a difference. You Matter!

Be Well,

Candi Russell, President, Marie Curie PTA
