

Curie Garden Club

Our amazing Curie school gardens have provided endless opportunities for outdoor, hands-on learning in math, science, ecology, social studies, creativity, environmental conservation and healthy eating!

Hope you will join us in the garden for the 2020-2021 school year!

Do you love gardening and volunteering?

Then join the Curie Garden Club. We need lots of volunteers to keep our gardens going. We hope to resume garden activities once we return to in person learning. Stay healthy!

Volunteer Opportunities Include:

- ~Help maintain garden
- ~Work with your child's class on planting and harvesting activities
- ~Prepare fruits and vegetables from the garden for your child's class to try

To get involved, send your email address to [**kmckelvey@sandi.net**](mailto:kmckelvey@sandi.net)

Or visit our Shutterfly site and send a request to join the site:
